**ASPIRE - EXPLODED DRAWING (GENERIC)**

*Please note that when ordering item number 23 (Shut off mechanism) you should first check the appliance serial number. If the serial number is prior to 10-40-358627001 then you will require new hob thermocouples and extension leads as the original spade fittings are not compatible to the new shut off mechanism.*

# COCINA EXPLODED VIEW

## IMPORTANT INFORMATION

Cocina ovens have been built with two different sets of gas taps, burners and thermocouples.

The Cocina Serial Number changeover was            10    44   361658001

10 Indicates year of manufacture 2010

44 Indicates week of manufacture

361658001 Indicates unique serial number

For all serial number before this time where week is less than 44 in year 10 **please use the standard parts shown on the parts lists**

For all serial numbers after this time where week number is equal to or greater than 44 in 2010  
or all subsequent years **please use the alternative items shown in green shade on the parts list**

## MIDI PRIMA Mk III

### IMPORTANT INFORMATION

Midi Prima ovens have been built with two different sets of gas taps, burners and thermocouples.

The Midi Prima Serial Number chan      11      10      377920001

11 Indicates year of manufacture 2011

10 Indicates week of manufacture

377920001 Indicates unique serial number

For all serial numbers before this time where week is less than 10 and/or year is less than 11

**please use Exploded View Old and Standard items on parts list**

**If serial number does not follow the above pattern also use these parts**

For all serial numbers after this time where week is greater than 10 and/or year is equal to or more than 11

**please use Exploded View New and Green shaded items on parts list**

# **MIDI PRIMA Mk III - SOP70000 - EXPLODED DRAWING (SABAF Components)**

Manufactured **BEFORE 14.03.2011**

# **MIDI PRIMA Mk III - SOP70000 - EXPLODED DRAWING (NEW Components)**

Manufactured FROM 14.03.2011

# MIDI PRIMA Mk IV

## IMPORTANT INFORMATION

Midi PrimaMKIV ovens have been built with two different sets of gas taps, burners and thermocouples.

The Midi Prima MKIV Serial Number changeover was                    11                    11                    379094001

11 Indicates year of manufacture 2011

11 Indicates week of manufacture

379094001 Indicates unique serial number

For all serial numbers before this time where week is less than 11 and/or year is less than 11 **please use Exploded View and Standard items on parts list**  
**If serial number does not follow the above pattern also use these parts**

For all serial numbers after this time where week is greater than 11 and/or year is equal to or more than 11 **please use Exploded View and Green shaded items on parts list**
